

Allen City Trash and Recycling Services

City of Allen website for Trash /Recycling Information:
http://www.cityofallen.org/commservices/trash_home.htm

Bulk items must be placed out by 7 a.m. on the Monday of your service week. Depending on the amount of bulk items to be picked up that week, actual collection could be any day between Monday and Friday.

Bulky Item Trash Day:
Second Monday of the month

Bulk items are large appliances, furniture and other items that cannot fit into the trash poly cart for collection. Remodeling materials and excess household trash in bags are not considered bulk items.

Appliances containing Freon must be certified Freon-free by a licensed professional, with the certification attached to the appliance, to be considered for bulk pick up. For information on additional options for disposal of these type appliances, please call 214-509-4551.

A maximum of five bulk items will be collected.

Special collection of items that do not fit into the bulk item category must be arranged through CWD and are subject to an additional charge for the collection. Contact CWD at (972) 392-9300 ext. 202 for more information on special collection items.
