All easements, as filed on record, are reserved for the mutual use and accommodation of garbage collectors and all public utilities desiring to use same. Any public utility shall have the right to remove and keep all or part of any buildings, fences, trees, shrubs, or other improvements or growths which in any way endanger or interfere with the construction, maintenance, or efficiency of its utility system on any easement strips, and any public utility shall, at all times, have the right of egress and ingress to and from and upon said easement strips for the purpose of constructing, reconstructing, inspecting, patrolling, maintaining, and adding to or removing all or any part of its utility system without the necessity at any time of procuring the permission of anyone.

The right to maintain, repair, sell or lease such appurtenances to any municipality or other governmental agency or to any public service corporation or to any other party is hereby expressly reserved.

Section 4. Access to Common Drives. Each Owner of a Clustered Unit shall have a nonexclusive easement (which is hereby reserved by Declarant in his behalf) for the purposes described in this Section upon, over and across the Common Drive serving the group of Clustered Units in which such Owner resides. Such nonexclusive easement shall be for the purposes of (a) access to and from such Owner's property to and from a dedicated street and (b) the installation, maintenance and repair of utility and sewer services to such Owner's property (if any) located beneath the Common Drive. In the event of such removal and clearing by Declarant, Declarant shall not be liable in trespass or for damages, expenses, costs or otherwise to Owner for such removal and clearing.

ARTICLE IV

MAINTENANCE, REPAIRS AND IMPROVEMENTS OF AFFECTED LOTS

Section 1. Unit Exterior and Lot Maintenance. Each Owner shall maintain the exterior of his Unit in an attractive manner and shall not permit the paint, roof, rain gutters, downspouts, exterior walls, windows, doors, walks, driveways, parking areas and other exterior portions of his Unit to deteriorate in an unattractive manner. The drying of clothes on front yards is prohibited and the owner of any Affected Lot at the intersection of streets or adjacent to parks, playgrounds or other facilities where the rear yard or portion of the Affected Lot is visible to full public view shall construct and maintain a drying yard or other suitable enclosure to screen from public view the drying of clothes, yard equipment, and woodpiles or storage piles which are incident to the normal residential requirements of a typical family. In the event of default on the part of any Owner in observing the above requirements or any one of them, and the continuance of such default after ten (10) days' written notice thereof, the Association shall, without liability to such Owner in trespass or otherwise, have the right (but no obligation whatsoever) to enter upon said Affected Lot or cause to be cut such weeds and grass and remove or cause to be removed such garbage, trash and rubbish or do any other thing necessary to secure compliance with these restrictions so as to place said Affected Lot in a neat, attractive, healthful and sanitary condition and may render a statement of charge to the Owner of such Affected Lot for the cost of such work. Each Owner agrees by the purchase or occupation of his property to pay such statement immediately upon receipt thereof.

Section 2. Additions and Exterior Improvements. No Owner shall make any addition to, modification of or alteration of the exterior of his Unit, substantial change of the landscaping of his Unit or any change in the color of any part of the exterior of his Unit unless such addition or change has been approved in writing by the Architectural Control Committee.

ARTICLE V

COLLIN SQUARE HOMEOWNERS ASSOCIATION

Section 1. Membership. Every Owner of a Unit which is subject to assessment shall be a member of the Association. Membership shall be appurtenant to and shall not be separated from ownership of any Unit which is subject to assessment. Every member shall have the right at all reasonable times during business hours to inspect the books of the Association.

Section 2. Voting Rights. The Association shall have two (2) classes of voting membership:

(a) Class A. Class A members shall be all Owners with the exception of Declarant and shall be entitled to one (1) vote for each Lot owned, unless Paired Units have been constructed, in which case the Owner of each Unit shall be entitled to one (1) vote. When more than one person holds an interest in any Unit, all such persons shall be members, but the vote for such Lot shall be exercised as they among themselves determine, and in no event shall more than one (1) vote be cast with respect to any Unit.

(b) Class B. Class B members shall be Declarant who shall be entitled to three (3) votes for each Affected Lot owned by it. The Class B membership shall cease and be converted to Class A membership one hundred twenty (120) days after the conveyance of the Affected Lot which causes the total votes outstanding in the Class A membership to equal the total votes outstanding in the Class B membership, or three (3) years after conveyance of the first Affected Lot by Declarant, whichever occurs earlier.

Section 3. Creation of the Lien and Personal Obligations of Assessments. Subject to the terms of this Article V, the Declarant for each Unit owned within the Properties hereby covenants, and each Owner of any Unit by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agrees to pay to the Association: (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorneys' fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 4. Annual Assessment or Charge. Subject to the terms of this Article, each Affected Lot in the Subdivision is hereby subjected to an annual maintenance charge and assessment not to exceed \$40.00 per month or \$480.00 per annum (unless such maximum shall be increased as provided in the Bylaws of the Association), for the purpose of creating a fund to be designated and known as the "maintenance fund," which maintenance charge and assessment will be paid by the Owner or Owners of each Unit within said Subdivision (and any area annexed under the jurisdiction of the Association) in advance in monthly, quarterly or annual installments, commencing as to all Affected Lots on the first day of the month following the conveyance of the first Affected Lot by Declarant to an Owner. The rate at which each Affected Lots will be assessed, and whether such assessment shall be payable monthly, quarterly or annually, will be determined annually by the Board of Directors of the Association at least thirty (30) days in advance of each annual assessment. Said rate and when same is payable may be adjusted from year to year by said Board of Directors as the needs of the Subdivision may in the judgment of the Directors require. The assessment for each Affected Lots shall be uniform except that as long as there is a Class B membership, the Board of Directors may charge and collect a fraction (not less than 50%) of the annual assessment on each Lot owned by Declarant until the conveyance of said Lot by Declarant to an Owner, or the Board of Directors may elect to accept in lieu of such fractional charge Declarant's agreement to contribute to the Association such amounts as may be necessary to fund the excess of the Association's operating costs over the total of regular assessments collected for a given period of operation. The due dates shall be established by the Board of Directors. The Association shall upon written demand and for a reasonable charge furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Affected Lot have been paid. The Association shall use the proceeds of said maintenance fund in providing for normal, recurring maintenance charges for the Common Areas for the use and benefit of all residents of said Subdivision. Such uses and benefits to be provided by said Association may include, by way of clarification and not limitation, any and all of the following: normal, recurring and/or nonrecurring maintenance of the Common Drives and Common Greenbelt (including, but not limited to, mowing, edging, watering, clipping, sweeping, pruning, raking, and otherwise caring for

existing landscaping) and the improvements to such Common Areas, such as sprinkler systems, provided that the Association shall have no obligation (except as expressly provided hereinafter) to make capital improvements to the Common Areas; payment of all legal and other expenses incurred in connection with the enforcement of all recorded covenants, restrictions and conditions affecting the property to which the maintenance fund applies; payment of all reasonable and necessary expenses in connection with the collection and administration of the maintenance charge and assessment; employment of policemen and watchmen; caring for vacant lots; and doing any other thing or things necessary or desirable in the opinion of the Association to keep the Properties neat and in good order, or which is considered of general benefit to the Owners or occupants of the Properties, it being understood that the judgment of the Association in the expenditure of said funds and the determination of what constitutes normal, recurring maintenance shall be final and conclusive so long as such judgment is exercised in good faith. The Association shall, in addition, establish and maintain an adequate reserve fund for the periodic maintenance, repair and replacement of improvements to the Common Area. The fund shall be established and maintained out of regular annual assessments.

Section 5. Special Assessments for Working Capital Fund, Nonrecurring Maintenance and Capital Improvements. In addition to the annual assessments authorized above, the Association may levy:

(a) a special assessment equal to two (2) months' estimated regular assessment per Affected Lot shall be due and payable by the Owner upon the closing of the purchase of each Unit, provided that the Declarant shall contribute to the Association the special assessment allocable to each unsold Affected Lot if the closings of the sales of all Affected Lots do not occur within sixty (60) days after the date of the conveyance of the first Affected Lot by Declarant. After any such contribution by Declarant, the portion of such special assessment allocable to each Affected Lot shall be charged to each Owner at each Owner's closing and Declarant's contribution to the special assessment fund shall be reimbursed from the funds collected from Owners. The aggregate fund established by such special assessment shall be maintained in a segregated account, and shall be for the purpose of insuring that the Association will have cash available to meet unforeseen expenditures, or to acquire additional equipment or services deemed necessary or desirable by the Board; and

(b) in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any nonrecurring maintenance, or the acquisition, construction, reconstruction, repair or replacement of a capital improvement upon any Common Area, including fixtures and personal property related thereto. The Association shall not commingle the proceeds of such special assessments with the maintenance fund. Such proceeds shall be used solely and exclusively to fund the nonrecurring maintenance or improvements in question.

Section 6. Notice and Quorum. Written notice of any meeting called for the purpose of taking any action authorized under Section 4 shall be sent to all members, or delivered to their residences, not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called immediately following the adjournment of the first meeting (without necessity) and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Effect of Non-payment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of eighteen percent (18%) per annum, or at such other rate as may be established from time to time by the Association, but in no event to exceed the maximum rate permitted by applicable law. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his property.

Section 8. Subordinated Lien to Secure Payment. To secure the payment of the maintenance charge and assessment established hereby and to be levied on individual Affected Lots as above provided, there shall be reserved in each deed by which the Owner (the present and any subsequent owners) shall convey such property, or any part thereof, a Vendor's Lien for the benefit of the Association, said lien to be enforceable through appropriate proceedings at law by such beneficiary; provided, however, that each such lien shall be specifically made secondary, subordinate and inferior to all liens, present and future, given, granted, and created by or at the instance and request of the Owner of any such Affected Lot to secure the payment of monies advanced or to be advanced on account of the purchase price and/or the improvement of any such Affected Lot; and further provided that as a condition precedent to any proceeding to enforce such lien upon any Affected Lot upon which there is an outstanding valid and subsisting first mortgage lien, said beneficiary shall give the holder of such first mortgage lien sixty (60) days' written notice of such proposed action, such notice, which shall be sent to the nearest office of such first mortgage lienholder by prepaid U. S. Registered Mail, to contain the statement of the delinquent maintenance charges upon which the proposed action is based. Upon the request of any such first mortgage lienholder, said beneficiary shall acknowledge in writing its obligation to give the foregoing notice with respect to the particular property covered by such first mortgage lien to the holder thereof. Sale or transfer of an Affected Lot shall not affect the assessment lien. However, the sale or transfer of any Affected Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien of such assessment as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Affected Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 9. Duration. The above maintenance charge and assessment will remain effective for the full term (and extended term, if applicable) of the within covenants.

ARTICLE VI

There shall be three (3) members of the Committee. After Declarant no longer owns any portion of the Properties, it shall no longer have any right to appoint members to the Committee. Thereafter, in the event of the resignation, continued absence, failure to function or death of any single member, the two members of the Committee remaining from time to time shall have full authority to designate the third member, or if there are fewer than two members remaining at any time (or if any two remaining members cannot agree on the appointment of the third member), the Committee vacancies shall be filled by popular vote of the Owners of the Affected Lots on persons nominated by any such Owner.

Section 3. Functions. No building, fence, wall, or other structure shall be commenced, erected, or maintained upon any Affected Lot, nor shall any exterior addition to, or change or alteration therein, be made, nor shall any landscaping of any Affected Lot be undertaken, until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to, and approved in writing by, the Committee as to harmony of external design and location in relation to surrounding structures and topography. In the event that any plans and specifications are submitted to the Committee as provided herein, and the Committee shall fail either to approve or reject such plans and specifications for a period of fifteen (15) days following such submission, such failure shall be deemed to be an approval by the Committee for all purposes.

ARTICLE VIII

TITLE TO COMMON AREAS

Section 1. Association to Hold. On or before conveyance by Declarant of the first Affected Lot to an Owner, Declarant shall convey title to the Common Areas to the Association. After title thereto rests in the Association, the Association shall assume all maintenance obligations with respect to the Common Areas.

Section 2. Liability Insurance. Section 3. Condemnation. steps it deems reasonably necessary to repair or correct any damage suffered as a result of the condemnation. In the event that the Board of Directors of the Association determines that the funds cannot be used in such a manner due to the lack of available land for additional Common Areas or for whatever reason, any remaining funds shall be distributed to each Owner on a pro rata basis.

Section 4. Notice of Events. The Association shall notify in writing the holder(s) of any valid and subsisting first mortgage lien on an Affected Lot of the occurrence of any of the following events (in addition to such other matters as are specified herein), when the Association itself is notified:

(b) any lapse, cancellation or modification which materially reduces coverage under insurance policies maintained by the Association; and

(c) such further matters as are specified in the Association by-laws;

provided that such lienholder has made a written request to the Association for such notices, stating its name and address for notice purposes and the Unit number and address of the Affected Lot in which it holds an interest.
